

DISABLED VETERAN/PRISONER OF WAR PASS PROGRAM

State of California - The Resources Agency
DEPARTMENT OF PARKS AND RECREATION

Qualified war veterans are eligible to receive a Disabled Veteran/Prisoner of War Pass for a one-time fee of \$3.50, which entitles the holder to the use of all basic State Park System operated facilities, at no further charge. It is not valid for commercial use, or for supplemental fees such as additional motor vehicles, etc. To qualify for the pass, the veteran must be a California resident and provide:

- A certificate from the Veterans Administration stating that the veteran was honorably discharged and that the wartime disability is service-connected and rated at 50%, or a service-connected disability rated at 100% for reasons of unemployability; **or** a letter of certification from the Veterans Administration or copy of personnel records from the appropriate military branch, verifying prisoner of war status and honorable discharge; **AND**
- A copy of his/her California Driver License or Identification Card as proof of California residency.

All certification material will be retained by the Department of Parks and Recreation and cannot be returned.

Once you have received your pass, it:

1. Is valid until revoked, at any unit of the California State Park System **operated** by the State Department of Parks and Recreation, any day of the week, including holidays, if space is available. You are not assured of space — use of facilities is on a "first-come, first-served" basis when space is available, unless reservations are made in advance. Not valid at units operated by local government agencies.
2. May be used as a ticket where admission is by ticket. For instance, if used for day use which would normally admit a family or carload, your family may receive admittance free. (To receive pass benefits at self pay locations, place the pass on your vehicle's dashboard where it is visible through the windshield.) When admittance is for museums, swimming pools, etc., that requires a "ticket per person," the pass is only good for your admission.
3. Is non-transferable and non-refundable. Upon suitable proof, a lost or damaged pass may be replaced through payment of the full purchase price of \$3.50.
4. Will always be necessary for you to show your Disabled Veteran/Prisoner of War Pass and driver license or other suitable identification, along with your campsite or tour ticket, and pay any supplemental fees at the park.
